Hi John,

I'm sorry. I dropped that ball regarding the San Diego phone call.

When you emailed I thought you guys were on the invitee list for the meeting/phone call but now I see that I had not included any of you. My apologies. This past two weeks have been super busy related to the letter that Wheeler sent to CARB regarding SIP work.

I think we will either try to set up another meeting with all three entities or at least include EPA on the call on Nov. 1.

Steph
